ABOUT ME

As a highly motivated and hardworking individual, I have a strong track record of academic and personal achievement. As a teacher assistant, I have developed strong communication and leadership skills, and as the varsity basketball captain, I have learned how to work effectively as part of a team.

I have also demonstrated a commitment to giving back to my community through my volunteerism work during the pandemic. Currently, I am pursuing a degree in software engineering and am excited to apply my skills and knowledge to new challenges in this field.
